

PUBLIC LIBRARIES COUNT!

Q: How do over 9,000 public libraries in the U.S. serve their patrons?

A: On average for each hour open, these public libraries:

are visited by 340,560 patrons

circulate 517,381 materials

answer 78,390 questions

provide programming to 14,059 children

provide internet access to patrons in 98.9% of all library outlets in the U.S.
